

## LED Dimmer Touch DIM 4 zones - D5

### Datasheet

## Technical Specs

### Control Characteristics

Output	DMX
Dimming Protocol	Manual
Number of channels	3
Dimming Range	5~100%
Dimming Curve	Linear
Zones	3

### Wiring Specifications

Wire type	2,5mm2
Wire Strip Length	5mm

### Environmental

Ingress protection	IP44
Operating temperature	-30~+55 °C

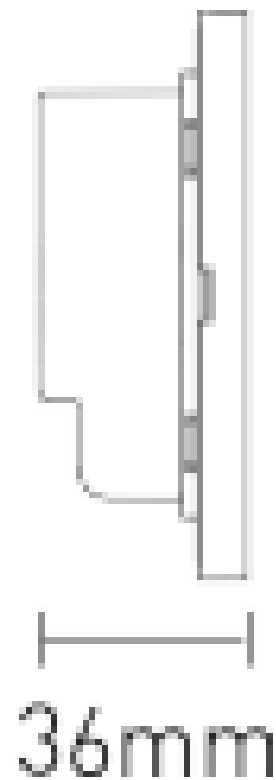

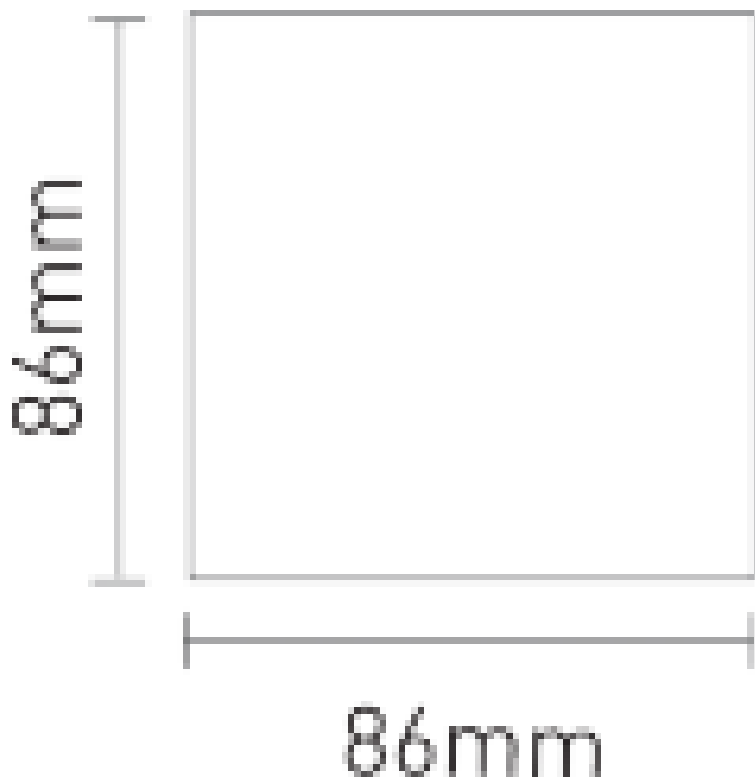

## Regulations

### Approvals

EMC	√
FCC	FCC Part 15:2013
RoHS2	√
Warranty	5 Year

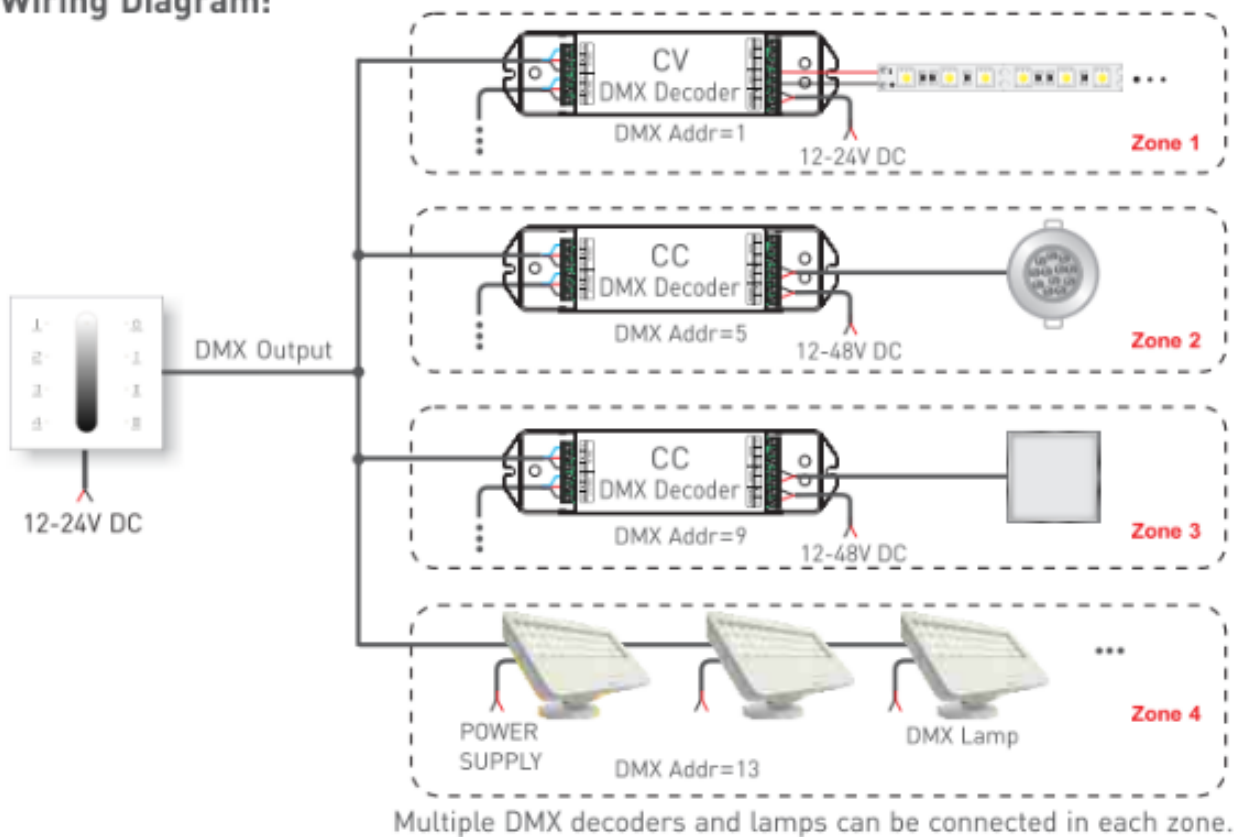

## Technical Drawings

## Wiring Diagrams

### 6. Wiring Diagram:

## Order information

Code	Description
22525	LED Dimmer Touch DIM 4 zones - D5
